IMPORTANT INFORMATION

The NAC Burial Fund SA covers South African permanent residents only.

Policies not paid by 30 June 2024 will lapse. Members over 65 cannot rejoin the Fund once they have lapsed. Once a policy has lapsed, a member under the age of 65, can re-join the fund by completing a new application form. Health declarations are to be indicated on the application form (under the section "Exceptions"). Waiting periods are then also applicable.

The new application form is available on MIS and the NAC-SA website. The completed form must be sent to the NAC Burial Fund SA administration office. Thereafter, you will receive an unpaid burial certificate with an EasyPay reference number to be used at an EasyPay outlet to make payment. The Insurer (African Unity) will not honour a claim for a lapsed policy.

Please call the hotline number - **0860 555 992** - with regards to claims. The same number may also be called with regards to all value-added services such as Repatriation, Grocery Benefit, HIV Protection, Trauma, Assault and HIV Counselling, Emergency Medical Assistance and Legal Assistance.
