

LESSON 3.8.4
I have been sealed.

Text: Acts 8:14-17 / Romans 8:17

The children rejoice at being God's own. They learn to know the meaning of Holy Sealing and how it is administered.

Holy Sealing is very important. This is the day that we receive the Holy Spirit. Only an Apostle can perform Holy Sealing. The Apostle puts his hand on our head. He then prays. Through the power and commission from God, we receive the Holy Spirit. Then, the Lord is not only our friend, He also becomes our Heavenly Father. This is when we become sealed children of God.
