# The Lesson

<b>Lesson Title</b>	The healing of the ten lepers
<b>Text</b>	Luke 17: 11 - 19
<b>Lesson Objective</b>	The children understand the gratitude of the healed man and know that the Lord Jesus is happy when we are thankful. They are urged to thank God.

## Lesson Summary:

- In the borderland of Samaria and Galilee, ten lepers asked the Lord Jesus to have mercy on them.
- He told them: "Go and show yourselves to the priests."
- The priests decide if someone is healed or not.
- The sick men faithfully followed Christ's instruction.
- On the way to see the priests all ten were healed
- Only one of them, a Samaritan, returned.
- He praised and glorified God and thanked the Lord Jesus for healing him.
- Jesus Christ asked him sadly: "But where are the other Nine?"
- "Have none of the others come back to give thanks to God?"

## What does this lesson mean for us today?

- Nothing should be taken for granted.
- We must be thankful and show that we are thankful.
